

“The Tiger Way”

Tigers are...Unique

Each Tiger has a different pattern of stripes, each tiger was uniquely created. You are uniquely created to be special. You have talents and abilities that no one else has. We must celebrate the differences among each other.

Tigers have...Great power

You have the power to accomplish anything that you set your mind to. With your power, you will do your best on every assignment and test.

Tigers are...Highly adaptable

A tiger does not make excuses; it finds a “way” to get the job done. When you are presented a challenge, whether in the classroom, athletic field, or at home, you will find a way to adjust and conquer the challenge.

Tigers are...Territorial

You will not let outside problems interfere with you becoming the best you can be. You will have pride in your school and your home town. You will strive to be the best at all times. When someone asks where you go to school, you will say “Hernando Middle” with pride.

Tigers have a loud...Roar

The roar of a tiger can be heard more than a mile away. Let your roar be heard this year! Let it be heard on your report card! Let it be heard on the gym floor! Let it be heard on the football field! Let it be heard on the MCT 2 state test! Let it be heard in the city of Hernando!

...This is the “Tiger Way!”
